

Bachmann HR Group powered by Global Reach Partners

Bachmann Group and Global Reach Partners have come together to create a unique proposition enabling 20,000+ employees to get the most out of their salary. We believe that Global Reach Partners are the perfect partner to work alongside.

For over 15 years now, Global Reach Partners has been providing clients with the most competitive pricing and the highest level of service. This consistent approach has seen them establish themselves as the UK's leading foreign exchange provider.

How can they help you?

Global Reach Partners will provide the functionality that enables you to receive the maximum for your salary. Inform us of the preferred currency that you would like to receive your salary in and we will make sure that this is arranged for you. You will then automatically receive your salary in this currency, making sure you get the favourable rate, every time.
